Please note that a show fee, currently £179.00, is payable by all successful applicants. This fee contributes towards licencing costs of the show itself, hire of theatre and rehearsal venue, costumes and sets, and costs of an experienced production and technical support team. There are no additional costs payable in being a part of a RARE Production.

Regrettably we are not able to give any feedback on an applicant's performance at the audition.

Is This Your Child's First Audition For RARE?
